

All About Your Caretaker

Hello everyone! I am Mr Probert and I look after the school and lock the gates! I can't wait to meet you all!

I have my own gardening business and love working outdoors! I have two children aged 10 and 4. I have a 4x4 Land Rover and like driving in the mud and through water!

My favourite part of my job is painting to make the school colourful for you to enjoy. I love building new things and planting pretty flowers!

Favourite books

The very hungry Caterpillar
Guinness world records

My favourite colour is Blue!
