

All About Your Teaching Assistant

Hello everyone!

I am Miss Shekells and I will be your class TA in 4JL. I can't wait to meet you all!

I have been at Westlands for 8 years and have 5 children who all came to this school. I love spending time with my family and watching them play rugby. I love spending time outdoors or just relaxing reading a book or watching films.

My favourite topics to teach in year 4 are maths and art because I love numbers and working out problems and art can be fun, relaxing and I just love to doodle.

Favourite books

Harry Potter (all of them)

The Hunger Games.

And

Pride and Prejudice
(probably not heard of this one it's old!!)

My favourite colour is black but I love a rainbow!
