

All About Your Teacher

Hello everyone!

I am Miss Freestone and I am so looking forward to helping you with your learning this year.

I enjoy spending time with my family especially going on wildlife walks with my two boys. I love reading whenever I have the time – a good book is a fabulous way to escape and dream!

One of my favourite things to teach is mystery and adventure stories. I love getting to know the book inside and out and then creating our own versions in class.

Favourite books

Oi Frog

Goodnight Mr Tom

Harry Potter

My favourite colour is
green!
