

All About Your Headteacher

1Q

Hello everyone!

I am Mrs Roberts and I am very lucky to be the Headteacher here at Westlands First School and Nursery.

When I'm not at school I enjoy walking my dogs Stan and Millie.

I also enjoy working out in the gym and going for a run in the countryside with my friends.

One of my favourite things about being the Headteacher here at Westlands is getting to know each and every one of our lovely pupils and their families. I love celebrating your many achievements and sharing your learning journey.

Favourite books

The Gruffalo
Winnie the Pooh

My favourite colour is

Blue
