

All About Your Teacher

Hello everyone!

I am Mrs Byng and I will be your Nursery teacher. I can't wait for us all to have lots of fun as we learn together

I have been teaching for 20 years and have two children who also came to Westlands. I enjoy art and craft activities and days out with my family. I have recently had a new kitten called Mini who likes to get up to mischief.

My favourite topic to teach is Traditional Tales as I love to read and share stories with you, and I enjoy retelling the stories we read by dressing up and acting them out.

Favourite books

George's Marvellous Medicine

The Tiger who came to tea

My favourite colour is purple!
