

All About Your Teacher

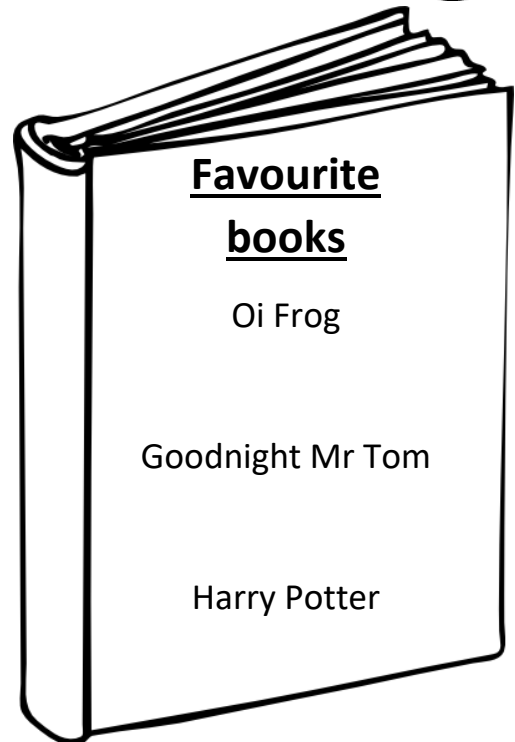

Hello everyone!

I am Miss Freestone and I am so looking forward to helping you with your learning this year in Year 2!

I enjoy spending time with my family especially going on wildlife walks with my two boys. I love reading whenever I have the time – a good book is a fabulous way to escape and dream!

One of my favourite things to teach is mystery and adventure stories. I love getting to know the book inside and out and then creating our own versions in class.

My favourite colour is green!
