

'Time to go back to school'

(Today/Tomorrow) I will be going back to school. Some things will be the same and some things will be different. Some children will be in school and some will not but that's okay. Some teachers will be in school and some will not but that's okay.

I will wake up and have breakfast at home. I will get dressed but I won't have to wear my uniform. I can choose my own clothes - this will be fun!

I will go to school and get picked up later.

I will go to school but there won't be any Breakfast Club, I will go straight to a POD. My new room will be called a POD.

For now, the teachers that I have may be different. They are all kind and will want to help me.

Not everyone will be back at school yet, but in my Pod there will be someone that I know. They will soon be my friends. I will soon know their names.

We will work, play and eat together in our POD. We will also have a play in our POD outdoor space.

School will be different but it will be okay. If I am worried I can tell one of the teachers or my new POD friends and they will help me.

On Friday's I will only go to school for half a day. I will be picked up early and everyone will go home at 12 o'clock. Lunch on Friday will be at home. My POD will be cleaned ready for more fun.

Some things will be the same and some things will be different but that's okay. Some children will be in school and some will not but that's okay. Some teachers will be in school and some will not but that's okay.
