CHRISTMAS NEWSLETTER NOVEMBER
2020

Dear Parents/ Carers,

We have been working hard behind the scenes to ensure that some of the Westlands Christmas traditions can continue this year. Many parents have asked about the sending of Christmas cards and Christmas party plans- the following information, we hope, should answer any questions you have.

Christmas cards for children

There will be a box for each class outside on the playground for the children to deliver their cards into when they arrive on the playground on the following days:

Mon 30th Nov
Tues 1st Dec

Mon 7th Dec
Tues 8th Dec

Mon 14th Dec

To make this clear, your child needs to put their written cards into the box where they want them to end up! I.e. if you wish to send a card in Mrs Lines class a card- it would need to go into the Year 4 SL class box.

The cards can then be stored for 72 hours before being distributed to classes on the Friday of each week. Your child's class teacher will provide a list of first names of the children in their class.

Christmas Party

We are putting the finishing touches to the arrangements for the Christmas party day. **We will be having a party for the children-** this will be held in their classes. Dates and final arrangements are still being made. As soon as plans are final we will send another letter explaining all the details.

As always, we would like to make Christmas as special as we can for your wonderful children.

Thank you for your understanding

Westlands First School
Staff.
