10

ten

On deck

Draw hats and eye patches on the pirates who don't have them.

Count the rats, then trace over the numbers.

Starting to Add

As these flowers get taller, they grow 1 more leaf. Trace the bee's route as it visits the flowers from 1 to 10.

1 more than 8 is

1 more than 6 is

1 more than 4 is

1 more than 2 is

1 more than 1 is

Trace the new leaves.

Which flower is the tallest and has the most leaves?
Write the number in the box.

Which flower is the shortest and has the fewest leaves?
Write the number in the box.
